

COVID-19 UPDATE-WHAT YOU NEED TO KNOW

We value our customers and are committed to caring for their health and well-being, and playing a constructive role in supporting local health officials and government leaders. We intend to observe elevated cleaning and sanitizing protocols that meet or exceed public health guidelines and can help to reduce the spread of COVID-19 by wearing face coverings, using one-time use fingerprint strips, sanitizing pens before, during, and after appointments, and providing the option to wear gloves.
